After completion of the work, the TSP shall furnish the road chainage details from the appropriate road authority.

i) Bank Guarantee shall be renewed, if necessary, by the TSP at the time of expiry of BG submitted.

j) M/s Jio Digital Fibre Private limited (JDFPL) shall be responsible for changing the cables whenever required at their own cost for the future development and 4 laning of highways/future development of roads.

k) M/s Jio Digital Fibre Private limited (JDFPL) shall do the restoration work on their own under the supervision of the Department /Organization /Local Body owning the road and the road shall be restored to its previous condition within the stipulated time frame and quality standards as decided by Government from time to time. M/s Jio Digital Fibre Private Limited (JDFPL) shall furnish a separate Bank Guarantee equal to 1/3rd (One third) of the estimated cost of restoration, to the Department /Organisation/ Local Body owning the road till the end of Defect Liability Period (DLP). This Bank Guarantee will be over and above the Bank Guarantee furnished to E&IT Department. M/s Jio Digital Fibre Private limited (JDFPL) shall also take necessary steps to renew the Bank Guarantees before the date of expiry.

- l) M/s Jio Digital Fibre Private limited (JDFPL) shall be solely responsible for all accidents which occur due to the negligence from their part while trenching the roads for laying OFCs and they shall pay adequate compensation to the victims of such accidents as per the orders of the competent authorities or Court. The Licensee shall ensure proper filling of the excavated trenches before the close of the work of that day.
- m) All provisions relating to PWD roads will be applicable to roads under the control of Local Self Government Institutions and other roads also.
- n) Road Authorities shall give road trenching permission as per general norms and as well as terms and condition existing in their respective Departments.
- o) Non- readiness of the site due to monsoon ban or such issues relating to non commencement of work shall be intimated to Director, KSITM. Completion of laying of OFC shall be promptly intimated to the Director, KSITM in writing with supporting documents. The Director, KSITM shall inform the same to the Government on time. If the work completion is delayed, TSP shall furnish status report every six months to the Director,KSITM specifying the distance completed with route and pending at that point of time, with reason for non-completion of work.
- p) M/s Jio Digital Fibre Private limited (JDFPL) shall submit OFC route mentioning road distance from OFC to DHQ, BHQ and THQ to the Director, KSITM.
- q) Road authorities concerned shall permit M/s Jio Digital Fibre Private limited (JDFPL) to lay OFC from OFC route to BHQ, DHQ and THQ at feasible locations.
- r) The validity of RoW permission granted shall be for 15 years from the date of this Government Order or till the period of currency of the license of M/s Jio Digital Fibre Private limited (JDFPL) issued by the Government of India, whichever is earlier.
- s) If it is found at any stage that the TSP has laid extra cable over and above the sanctioned distance, they are liable to pay proportionate One Time Contribution and Bank Guarantee.
- t) M/s Jio Digital Fibre Private limited (JDFPL) shall furnish OFC lay out diagram, with GIS co-ordinates, to Director, KSITM and to the appropriate road authority concerned. The road authority shall ensure that lay out diagram is matching with the route details as mentioned in the Annexure-I.
- u) There should not be any loss to the Government in this regard and this should be taken into account while performing the OFC laying works by M/s Jio Digital Fibre Private limited (JDFPL).
- v) M/s Jio Digital Fibre Private limited (JDFPL) shall submit application along with POP locations for extending Government connectivity to the Director, KSITM immediately after getting in-principle approval of General RoW permission vide this Government Order.
- w) In the case of pending bandwidth obligations, the company shall submit applications for Government connectivity immediately and shall

fulfil all pending bandwidth obligations immediately after obtaining RoW permissions for such Government connectivity.

x) The company should furnish GIS route map in the format specified by the Director, KSITM for identifying the PoP locations coming under the OFC routes. The proof of remittance of GST on One Time Contribution under reverse charge mechanism should be submitted by the TSP to the Director, KSITM within one month from the date of issue of this order.

5) The Director, KSITM shall, after verifying and identifying feasible PoP locations, forward the RoW application of M/s Jio Digital Fibre Private limited (JDFPL) pertaining to Government connectivity to Government for granting permission for Government connectivity.

6) The Director, KSITM is permitted to allocate the bandwidth on distributed manner, so that multiple terminations can be avoided at a single PoP location. The Director, KSITM shall also monitor and ensure the compliance of Bandwidth commitments of TSPs by having constant coordination with all TSPs concerned and to workout an equitable distribution for obtaining free bandwidth in the NOC, DHQ, BHQ and THQ.

7) The Director, KSITM shall report to Government on time, any lapse on the part of M/s Jio Digital Fibre Private limited (JDFPL) in compliance of the conditions mentioned in this order.

8) The Right of Way permission shall come in to force only from the date of execution of the agreement by the TSP with Government.

9) All the terms and conditions laid down in the agreement and such additional conditions that Government may impose from time to time shall be strictly adhered to by M/s Jio Digital Fibre Private limited (JDFPL). The Chief Engineer, (PWD)/(LSGD) shall report any violation in the provisions of the agreement conditions from the part of the company. M/s Jio Digital Fibre Private limited (JDFPL) shall be liable to execute supplementary agreements (if any) as stipulated by Government from time to time.

10) This Government Order is a generic permission and before digging any stretch, the plan of digging, route plan and restoration plan may be got approved from the Executive Engineer of PWD or the appropriate authority concerned.
